

We are hiring! Summer 2016

We think we're preparing kids for tomorrow. Kids just think it's cool!

Are you passionate about Video Games, App Design, Digital Movies, Robotics, or STEM? Lake Michigan College is seeking enthusiastic, motivated and talented individuals to work as:

Lead Instructors Assistant Instructors

This is a summer seasonal position from 1 to 4 weeks, depending on the position, for three hours per day. Classes will be held at the Lake Michigan College Napier Avenue Campus in Benton Harbor.

This is a perfect job for Teachers (any subject/grade), college students, or content experts (filmmakers, programmers, & gamers).

This is a volunteer position with a stipend provided.

No experience is required. Black Rocket will TRAIN you! Build your resume and have a ton of fun.

**Application, including a camp schedule, can be found at
lakemichigancollege.edu/blackrocket**

You must submit an application, resume, and proof of a recent background check in order to be considered. Email completed application and resume to Debbie Gillespie at gillespie@lakemichigancollege.edu.
