

Financial Literacy and Homeownership Education Classes

Michigan State University Extension have partnered with Chemical Bank, Dowagiac District Library, Catholic Community Center, and Berrien Springs Community Library to provide **free** classes for adults in personal finance, homeownership, and foreclosure education. All ages are welcome; however the material is targeted for ages 19 years and older. Attendees of these classes will have access to many materials and resources, including the opportunity to make individual appointments with the class instructor.

Financial Literacy classes (4-6 sessions)

During the personal finance class attendees will learn ways to manage debt and credit, create financial goals and spending plans, and the nuances of financial decision-making.

**This class is required for those interested in attending the Homeownership Education classes.
