

## HR Report: July 3, 2012

### New Hire

#### **Tyler Fish – Application Developer/Analyst – July 1, 2012**

Tyler joined LMC's IT department on July 1, as our new application developer/analyst. In this role, he will provide development and analysis support to the Banner technical infrastructure. Tyler recently earned his BS in Computer Science from Grand Valley State University. While in school, Tyler worked as a CS lab assistant during the school year and was with the Rosback Company's IT department over the summers.
