PROCEDURE REMINDER

**THEY SAY IT'S HARD TO
TEACH AN OLD DOG NEW
TRICKS.**

**OUR NEWER STAFF AND
ADJUNCTS MAINTAIN
OUTSTANDING RECORDS
WHEN IT COMES TO PRE-
VENTING FOOD AND
DRINK IN THE SCIENCE
ROOMS.**

**THE SAME CAN'T BE
SAID OF ALL OF OUR
LONG TERM
INSTRUCTORS.**

**WE NEED EVERYONE
TO HELP KEEP FOOD
AND DRINK OUT OF
OUR SCIENCE LABS.**

WE WANT YOUR INPUT

**IF YOU HAVE
SOMETHING YOU THINK
MERITS MENTION IN
THE LMC SCIENCE
NEWSLETTER, LET US
KNOW.**

NEW MATERIALS

Through a Title III grant Lake Michigan College has made available a treasure trove of materials to the Natural Science labs. Up-to-the-minute software, instruction manuals, and integrated materials over a range of topics through all LMC Natural Science disciplines are now ready for use. Lab activities encourage hands-on student participation and promote understanding of the latest

technological applications. Materials are available at the South Haven, Bertrand Crossing and Napier campuses. A partial list of materials includes: Labquest computer interface units, spectrometers, gas chromatographs, digital balances, pH sensors, gas pressure sensors, conductivity probes and temperature probes.

SEASONAL SAFETY TIP

IT'S SPRING, AND THE MINDS OF YOUNG WOMEN AND MEN TURN TO... WELL, CERTAINLY NOT VERY OFTEN TO SAFETY IN THE SCIENCE LABS. DON'T LET YOUR GUARD DOWN. STAY PREPARED. . KEEP SAFETY IN MIND.
