

MGSSBF Green Lunch March 7

Local CSAs

How You Can Be Involved

AMAZING!! PHENOMENAL!! DON'T MISS THIS!!!

Community Supported Agriculture (CSA) is a great way to obtain a steady supply of locally grown, in season produce throughout the summer and well into the fall in SW Michigan. Learn how CSA programs work and discover how they offer an economical and convenient way to provide healthy food for you and your family, all while supporting local farmers.

Area farmers that offer CSA program will be on hand to answer questions and offer attendees the opportunity to sign up for the upcoming growing season.
