

## Let your creativity flow.

**Enter our “Confluence” art contest on Facebook and win a scholarship for a local art class.**

**Depict “Confluence” in an original work of art using your favorite medium.**

Visit our St. Joseph branch at 321 Main Street. View our new sculpture and then re-envision it in an original work of art. You may photograph it, paint it, draw it or use any medium you choose to represent the essence of “Confluence.” Then submit an image of your art for public viewing and voting on our Facebook page.

**Win one of five scholarships to local art classes.** Each month from now through June 30, Edgewater Bank will award a scholarship to one winning artist. Winners will be selected by popular vote. If you win, you can choose a scholarship to take an art class at one of the following places:

- Anna Russo-Sieber Gallery, Benton Harbor
- Box Factory for the Arts, St. Joseph
- Krasl Art Center, St. Joseph
- Water Street Glassworks, Benton Harbor
