WHAT YOU NEED TO GET STARTED PREPARING YOUR OWN RETURN:

- Basic computer skills: if you can browse the web, you can file your return online!
- An email address: it's required to register, and you'll receive updates on your return via email.
- All supporting information (so you can complete the return):
 - ✓ SSNs (for yourself, your spouse, and any dependents claimed)
 - ✓ Income information (W-2, 1099) and all other supporting documentation (e.g., 1098-T)
 - ✓ Your prior year adjusted gross income (AGI)
 - This is needed to digitally "sign" your return
 - If you don't have your prior year AGI, please ask a volunteer for assistance
 - ✓ Your six-digit Identity protection PIN (IPPIN)—If applicable
 - This only applies if your SSN has previously been compromised by ID Theft
 - You should have received your IPPIN in the mail
 - ✓ Bank account and routing information (when choosing Direct Deposit)
